

# HOSTESS THANK YOU

8 x 8 page for a Mini Magnetic Everyday Display

*This idea makes me smile every time. How do you say thank you to a host? A thank-you gift? A thank-you note? For this project, we've taken the two and smooshed them together brilliantly. Decorate the display and add a sweet little note of thanks. Plus, Aunt Jeannie and Uncle Bill are left with a Mini Magnetic Everyday Display they can use for years to showcase what's new.*
